

auto-Lancet™

Enduring Quality

The Original Adjustable Tip

The incomparable **auto-Lancet™** is the lancing device that has set the standard for quality, comfort, and adjustability since 1983. This re-usable lancing device assists in obtaining capillary blood samples for testing. The **auto-Lancet** is constructed in the USA of durable plastics for precision lancing day after day, year after year. It's the only lancing device with a lifetime warranty.

The **auto-Lancet** - quality you can count on.
From the people at Palco Labs,
makers of world-class medical device
products and leaders in
lancing technology.

Key Features/Benefits

- Adjustable tip - Allows precise customization of lancet penetration
